

WEST NORMAN ENDOSCOPY CENTER, LLC
3101 W. Tecumseh Rd. suite 100
Norman, Ok 73072

Welcome to West Norman Endoscopy Center.

We are pleased that you have placed your trust in us to provide your healthcare services. West Norman Endoscopy Center was designed to provide patients with a more efficient and less stressful environment. Our pleasant atmosphere and highly trained and helpful staff can minimize the anxiety that often comes with having outpatient procedures. West Norman Endoscopy Center is a state-licensed, Medicare-certified outpatient ambulatory surgical center.

What Can I expect from a visit to West Norman Endoscopy Center?

First and foremost, you can expect to receive professional, courteous and compassionate care. Our primary concern is for your continuing good health.

Please expect a call from one of our nurses the day before your scheduled procedure to discuss pre-operative preparation and answer any questions you may have regarding your procedure. The nurse will also go over your personal history and get a list of current medications you are taking and any allergies you may have. Also, during this call, we will verify your appointment time and arrival time to the facility. Please note that due to the physician's schedule your appointment time may be changed.

We are also concerned about your safety. **You must have a responsible adult accompany you to the center and drive you home after the procedure.**

You should wear a comfortable two piece outfit to the center so it will be easy for you to change into a gown. We ask that you do not bring any jewelry or other valuables to the center. We do ask that you bring your insurance card(s) and government issued I.D.

If you have any further questions about your procedure please call us at 405-364-5900. One of our highly qualified staff members will be happy to assist you.
